

**Order of the Minister of Infrastructure and Water Management no. IenM/BSK-
of [date], containing rules for the implementation of the Schiphol and Lelystad
Airports (Traffic Distribution) Decree**

The Minister of Infrastructure and Water Management,

Having regard to article 2, paragraph 6, of the Schiphol and Lelystad Airports (Traffic Distribution) Decree;

ORDERS:

Article 1

1. All flights to a destination listed in schedule 1 to this Order are designated as transfer flights.
2. Only destinations that satisfy the following criteria are listed in schedule 1:
 - a. an average transfer percentage of all flights departing from Schiphol Airport of at least 10%, measured over the five calendar years preceding publication of the designation;
 - b. more than ten flights per year in the three years preceding publication of the designation.
3. By derogation of paragraphs 1 and 2, a destination that is not on the list in schedule 1 will be regarded as a transfer destination for a requested number of seasons if an airline can substantiate to the Minister ex ante that the destination will be served by flights with an average transfer percentage of at least 10% for the requested number of seasons.
4. In any case, an airline can meet the requirement set in paragraph 3 by demonstrating that a destination is being served by flights with an average transfer percentage of at least 10% measured over the five calendar years preceding the request referred to in paragraph 3, at an airport within the European Union.
5. Destinations which will be regarded as a transfer destination pursuant to paragraph 3, will be published in the Government Gazette.

Article 2

1. All flights to a destination listed in schedule 2 to this Order are designated as point-to-point flights.
2. Only destinations that satisfy the following criteria are listed in schedule 2:
 - a. an average transfer percentage of all flights departing from Schiphol Airport of less than 10%, measured over the five calendar years preceding publication of the designation;
 - b. more than ten flights per year in the three years preceding publication of the designation.

Article 3

1. Any verifiable data pertaining to the transfer percentage of flights and destinations can be submitted to the Minister and will be taken into account when designating flights as either transfer or point-to-point flights.
2. In any case, with regard to the data referred to in paragraph 1, passengers arriving at Schiphol Airport and departing, within 24 hours after arrival, to another

destination than where the previous flight originated, will be regarded as transfer passengers.

Article 4

This Order enters into force on the day the Schiphol and Lelystad Airports (Traffic Distribution) Decree enters into force.

This Order and the explanatory memorandum pertaining to it will be published in the Government Gazette.

THE MINISTER OF INFRASTRUCTURE AND WATER MANAGEMENT
