Oh ja, de verklaring heb ik gemaakt voor de onderzoekscommissie van het CVTA dat in opdracht van drs Holtslag onderzoeken moet wat er speelde. Waarbij onderdeel van de opdracht is dat de rol van het CVTA niet onderzocht mag worden.

Toen ik ruim een jaar geleden als vice voorzitter van de Buma het College Van Toezicht Auteursrechten (CVTA) informeerde over wantoestanden bij de Buma, besloot directeur Drs Holtslag deze informatie te negeren. Ik heb hier zojuist een verklaring over afgelegd.
