

Category	ITEM	NOTES
	I am not a lawyer, in some cases what I call a common law right may have been made into a civil right. Very few countries have signed onto CEDAW and many of these rights are not in CEDAW. I'd be interested to have others correct and extend my knowledge.	[Note] This just trying to name the level of govt the 'right' is generally located
Human	Removing the legal right of women to organize politically against sex-based oppression by males	UN Freedom of Association
Human	Removing the legal right of women to assemble outside the presence of men	UN Freedom of Association
